

# AYERS HEALTH & REHABILITATION CENTER

Welcome to Ayers Health & Rehabilitation Center

## WHAT TO EXPECT

- ✓ **Safety Net...** Due to COVID-19 regulations, you will be provided a room for a 14-day quarantine period upon admission. This is an extra precaution to help ensure your safety and the safety of others.
- ✓ **Personal Protective Equipment (PPE)...** Staff members will be wearing face masks, face/eye shields and a protective gown when in your room. While this may seem a little impersonal, we assure you our team members are friendly and caring.
- ✓ **Family to Family...** A member of our management team will act as your liaison to help ensure that your questions and concerns are addressed promptly. Please reach out to them at any time.
- ✓ **Dining Services...** Your preferences matter! Meals and snacks are provided, and there is an alternative menu available. If you are unhappy, please reach out to our dietary manager.
- ✓ **Laundry Services...** During Covid, we are providing laundry services for all residents.
- ✓ **Therapy Evaluation...** Our therapists will see you within 24 hours of admission to begin crafting a personalized Plan of Care. Our goal is to help you get stronger every day so that you can get back to being your best.
- ✓ **Interdisciplinary Team...** Our team will work with you and your family to begin planning a discharge home or to your next level of care within 72 hours of admission. Care conferences will be used to discuss your goals and progress during your stay.
- ✓ **Visitation...** Window visits, Facetime, and Google Duo are available. Scheduled outdoor visits may be arranged after your first 14 days at the facility.
- ✓ **COVID-19...** We have implemented safeguards per recommendations and mandates. We are working hard to keep everyone safe. Please feel free to ask questions as they occur to you. Additional education and information will be provided.
